### Social Competition Rules

#### PLAYER BEHAVIOUR

1. Always remember that this is a social sport competition, and we are all here to have fun!
2. Learn the rules and play by them.
3. Be a good sport. Encourage everyone including your opposition, umpires, and teammates. Applaud all good plays whether they are made by your team or the opposition.
4. Treat all participants as you would want to be treated.
5. Cooperate with your captain, team-mates, opponents, umpires and the competition coordinator; without them there would be no competition.
6. Control your behaviour. Verbal or physical abuse of players, umpires or the competition coordinator will not be tolerated. If you disagree with a decision made by an umpire, ask your captain to approach the competition coordinator during the next break in play.
7. Respect the rights, dignity and worth of all participants regardless of their gender, ability, cultural background, or religion.
8. Leave all competition areas tidy and free from litter or other mess.
9. Any breach of this code - or any other acts not previously referred to which are contrary to good sportsmanship - is regarded as a serious matter by Fremantle Volleyball Club. An offending person may be asked to leave the court for the remainder of the game, for a nominated number of weeks, or banned from all social sport competitions indefinitely. In addition, poor team behaviour may result in the removal of that entire team from all competitions for a nominated or indeterminate period.

## TEAM SIZE

1. A team shall consist of six (6) players on court with a maximum of 2 substitutes.
2. The minimum team size before a forfeit is four (4) players.

## UMPIRES

1. The umpire's decision is final.
2. Participants must discuss any issues with the umpire/s at the end of the set or at the end of the game. Discussion during the game will not be tolerated.

## MATCH DURATION

1. All matches will be run during a 45-minute time slot.
2. A match consists of the best of three 15-minute sets.
3. The game clock will start at the scheduled time, whether teams are ready or not.
4. If one team is ready on the court and the opposition are late, a point will be awarded to the team who are on court ready every minute until the opposition is on court. The maximum points that can be added is 9. At ten minutes a forfeit will be declared.

## RULES OF PLAY

1. Serving
  - Feet must be behind the line when completing the serve and no point should be touching
  - Ball may be served underhand or overhand
2. Scoring
  - Teams can win points on either team's service
  - A point will be awarded on every serve

### 3. Rotation

- Players must rotate on their serve in a clockwise rotation, so when you win the point on the opposition's service you must rotate

### 4. Switching

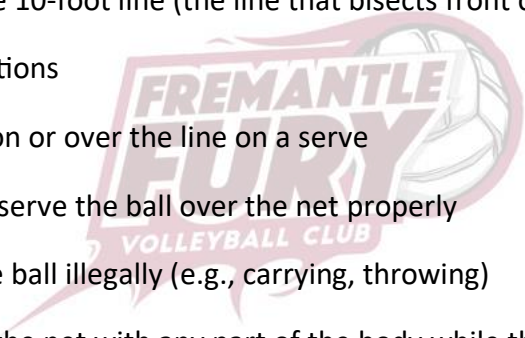

- Switching between players will only be allowed between front court players once the served ball crosses the net
- Upon rotating, you must switch back to keep the same order of rotation

### 5. Spiking

- Back court players are allowed to spike the ball only if their jump starts from behind the 10-foot line (the line that bisects front court from back court)

### 6. Basic Rule Violations

- Stepping on or over the line on a serve
- Failure to serve the ball over the net properly
- Hitting the ball illegally (e.g., carrying, throwing)
- Touching the net with any part of the body while the ball is in play
- The ball may contact any part of your body and still be deemed a legal hit if the ball does not come to rest
