We also support the rights and wellbeing of our staff and volunteers and encourage their active participation in building and maintaining a secure and safe environment for all participants.

Fremantle Fury Volleyball Club acknowledges the valuable contribution made by our staff, members and volunteers and we encourage their active participating in providing a safe, fair and inclusive environment for all participants.

7.1.1: Identifying and Analysing Risks of Harm

The Fremantle Fury Volleyball Club will develop and implement a risk management strategy, which includes a review of our existing child protection practices, to determine how child-safe our organisation is and to identify any additional steps we can take to minimise and prevent the risk of harm to children because of the action of an employee, volunteer or another person.

7.1.2: Developing Codes of Conduct for Adults and Children

We will develop and promote a code of conduct that specifies standards of conduct and care we expect of adults when the deal and interact with children, particularly those in the our care. We will also implement a code of conduct to promote appropriate behaviour between children.

The codes will clearly describe professional boundaries, ethical behaviour and unacceptable behaviour. (See Attachment 2)

7.1.3: Choosing Suitable Employees and Volunteers

The Fremantle Fury Volleyball Club will ensure that the organisation takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children, especially those in positions that involve regular unsupervised contact with children. This may be achieved using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.

The Fremantle Fury Volleyball Club will ensure that Working with Children Checks and criminal history assessments are conducted for employees and volunteers working with children, where

an assessment is required by law. If a criminal history report is obtained as part of the screening process, the Fremantle Fury Volleyball Club will ensure that the criminal history information is dealt with confidentially and in accordance with relevant legal requirements. (See Attachment 1.3)

7.2 Supervision

Children under the age of [18] must be supervised at all times by a responsible adult. We endeavour to provide an appropriate level of supervision at all times. If a member finds a child under the age of [18] is unsupervised, they should assume responsibility for the child's safety until the child's parent/guardian or supervisor is located.

For reasons of courtesy and safety, parents must collect their children on time. If it appears a member will be left alone with just one child at the end of any club activity, they will ask another member to stay until the child is collected.]

7.3 Transportation

Parents and or guardians are responsible for organising the transportation of their children to and from club activities (e.g. training and games).

8. Discrimination, Harassment and Bullying

Our club is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination, harassment, and bullying.

We recognise that people may not be able to enjoy themselves or perform at their best if they are treated unfairly, discriminated against, harassed, or bullied.

8.1 Discrimination

Unlawful discrimination involves the less favourable treatment of a person on the basis of one or more of the personal characteristics protected by State or Federal anti-discrimination laws.

Discrimination includes both direct and indirect discrimination:

- **Direct discrimination** occurs if a person treats, or proposes to treat, a person with a protected personal characteristic unfavourably because of that personal characteristic.
- **Indirect discrimination** occurs if a person imposes, or proposes to impose, a requirement, condition or practice that will disadvantage a person with a protected personal characteristic and that requirement, condition or practice is not reasonable.

For determining discrimination, the offender's awareness and motive are irrelevant.

8.2 Harassment

Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends, or humiliates another person and which happens because a person has a certain personal characteristic protected by State or Federal anti-discrimination legislation.

The offensive behaviour does not have to take place several times, a single incident can constitute harassment.

Sexual harassment is one type of harassment. Sexual harassment involves unwelcome conduct, remarks, or innuendo of a sexual nature. It covers a wide range of behaviours and can be verbal, written, visual or physical. Sexual harassment is not limited to members of the opposite sex.

Every person is covered by the anti-discrimination laws that apply in their State as well as the Federal anti-discrimination laws.

The following is a list of all the personal characteristics that apply throughout Australia:

- gender;
- race, colour, descent, national or ethnic origin, nationality, ethno-religious origin, immigration;
- national extraction or social origin;
- marital status, relationship status, identity of spouse or domestic partner;
- pregnancy, potential pregnancy, breastfeeding;
- family or carer responsibilities, status as a parent or carer;
- age;
- religion, religious beliefs or activities;
- political beliefs or activities;
- lawful sexual activity;
- sexual orientation and gender identity;
- profession, trade, occupation or calling;

- member of association or organisation of employees or employers, industrial activity, trade union activity;

Legislation also prohibits:

- racial, religious, homosexual, transgender, and HIV/AIDS vilification; and
- victimisation resulting from a complaint.

8.3 Bullying

The Fremantle Fury Volleyball Club is committed to providing an environment that is free from bullying. We understand that bullying has the potential to result in significant negative consequences for an individual's health and wellbeing, and we regard bullying in all forms as unacceptable at our club.

Bullying is characterised by repeated, unreasonable behaviour directed at a person, or group of persons, that creates a risk to health and safety. Bullying behaviour is that which a reasonable person in the circumstances would expect to victimise, humiliate, undermine, threaten, degrade, offend or intimidate a person. Bullying behaviour can include actions of an individual or group.

Whilst generally characterised by repeated behaviours, one off instance can amount to bullying.

The following types of behaviour, where repeated or occurring as part of a pattern of behaviour, would be considered bullying:

- verbal abuse including shouting, swearing, teasing, making belittling remarks or persistent unjustified criticism;
- excluding or isolating a group or person;
- spreading malicious rumours; or
- psychological harassment such as intimidation.

Bullying includes cyber-bullying which occurs using technology. New technologies and communication tools, such as smart phones and social networking websites, have greatly increased the potential for people to be bullied through unwanted and inappropriate comments. The Fremantle Fury Volleyball Club will not tolerate abusive, discriminatory, intimidating, or offensive statements being made online.

If any person believes they are being, or have been, bullied by another person or organisation bound by this policy, he or she may make a complaint. (Refer to Item 10 of this policy.)

9. Inclusive practices

Our club is welcoming, and we will seek to include members from all areas of our community.

The following are examples of some of our inclusive practices.

9.1 People from diverse cultures

We will support, respect and encourage people from diverse cultures and religions to participate in our club and where possible we will accommodate requests for flexibility (e.g. modifications to uniforms).

9.2 Sexual & Gender Identity

All people, regardless of their sexuality or gender identity, are welcome at our club. We strive to provide a safe environment for participation and will not tolerate any form of discrimination or harassment because of a person's sexuality or gender identity.

9.3 Pregnancy

Fremantle Fury Volleyball Club is committed to treating pregnant women fairly and to removing any unreasonable barriers to their full participation in our club's activities. We will not tolerate any discrimination or harassment against pregnant women.

Fremantle Fury Volleyball Club will take reasonable care to ensure the continuing safety, health and wellbeing of pregnant women. We will advise pregnant women that there may be risks involved with their continuing participation in sport, and we will encourage them to obtain medical advice about those risks. Pregnant women should be aware that their own health and wellbeing, and that of their unborn child, is of utmost importance in their decision-making about the extent they choose to participate in our sport.

We encourage all pregnant women to talk with their medical advisers, make themselves aware of the facts about pregnancy in sport and ensure that they make informed decisions about their participation in our sport. Pregnant women should make these decisions themselves, in consultation with their medical advisers and in discussion with Fremantle Fury Volleyball Club.

Fremantle Volleyball Club Member Protection Policy

We will only require pregnant women to sign a disclaimer in relation to their participation in our sport whilst they are pregnant if all other participants are required to sign one in similar circumstances. We will not require women to undertake a pregnancy test.

If a pregnant woman believes she is being, or has been, harassed or discriminated against by another person bound by this policy, she may make a complaint (see section 10).

10. Responding to Complaints

10.1 Complaints

Our club takes all complaints about on and off-field behaviour seriously. Our club will handle complaints based on the principles of procedural fairness, and ensure:

- where applicable, ensure the complainant is not placed in an unsupervised situation with the respondent(s); and
- act on *Volleyball WA*'s recommendations.

At any stage of the process, a person can seek advice from an anti-discrimination commission or other external agency and, if the matter is within their jurisdiction, may lodge a complaint with the anti-discrimination commission or other external agency.

10.3 Disciplinary Sanctions

Our club may take disciplinary action against anyone found to have breached our policy or made false and malicious allegations. Any disciplinary measure imposed under our policy must:

- be applied consistent with any contractual and employment rules and requirements;
- be fair and reasonable;
- be based on the evidence and information presented and the seriousness of the breach; and

- be determined by our constituent documents, by Laws and the rules of the game.
